LOAN SOLD

Loans are often sold, and the servicers often change once your client's loan is purchased. If this happens, they will receive a letter from the purchaser and new servicer. Please remind your client to wait to establish bill pay or ACH payments for about 60 days from purchase. This will allow time for the Servicing team to provide your client with their new loan number and information on how to make their payments.

PRIVACY

For privacy purposes, we cannot discuss loan-level questions with a broker on the client's behalf. Please ask them to contact us directly.

SERVICING TEAM

If your borrower has called or emailed our Customer Service department and is having difficulties on obtaining an answer, please reach out to our Servicing Team via email or phone.
